

We need your help

Do you have Diabetes, Chronic Obstructive Pulmonary Disease (COPD) or another Long Term Condition?

NHS Ayrshire & Arran is developing a new computer system that will

- Help you to manage your condition
- Be easy to use from anywhere using a computer with an internet connection
- Let you access and update your personal health information in a secure and confidential way

Can you help us?

If you want to know more or would like to volunteer to be involved in the design of the system, please contact
